

Partner Referral Program

Empower Your Network through IT Solutions' Referral Program

At IT Solutions, we provide our clients with holistic IT support and expertise so they can focus on growing their business. We value our partnerships and the power of collaboration, which is why we're excited to introduce our Partner Referral Program.

This program rewards you for helping the people in your network address and resolve critical business challenges.

Join us in delivering unparalleled IT support and cybersecurity excellence to businesses across the United States, making a meaningful impact on their success.

HOW IT WORKS

From Introduction to Compensation

- 1 Introduction & Discovery:**
 - Get to know each other and how we will support your referrals.
 - Discover the benefits of the Partner Referral Program.
- 2 Referral Process:**
 - Introduce us to businesses that can benefit from our services.
 - Once you introduce a potential client, we'll handle the next steps.
- 3 Reward:**
 - If your referral signs an agreement with us and completes the onboarding process, you earn a one-time fee equal to one month of revenue.
 - Agreements must have > \$3,000 monthly revenue to receive compensation.
 - A referral is valid for 6 months. If we are actively working with the referral toward an agreement at the end of this period, the validity can be extended for 3 months.
